Villa Sul Mare

TECNOMAR · NADARA 43 TRIDECK

Villa Sul Mare is a 43 metre Tecnomar trideck based in Ibiza, built in 2009 and refitted in 2020. She takes 12 guests across three decks, with a jacuzzi on the flybridge, a main saloon that seats ten and an aft table that dines twelve. Zero speed stabilisers hold her steady at anchor, which is what turns a long day off Formentera into a comfortable one. Seven crew including a chef run the day. The toys come off a floating beach club at the stern: a Williams 445 jet tender, a jetski, two Seabobs, two kayaks, three paddleboards, a wakeboard and water skis.
